ARCTIC BEAR

## WILD SIBERIAN CHAGA

CLINICAL GRADE 30% POLYSACCHARIDE EXTRACT

From our *Forest Formulations* collection, here is our Wild Siberian Chaga. Chaga is known as the "Gift from God", the "Mushroom of Immortality", the "Diamond of the Forest", and is one of the "King of Plants."

Our Arctic Bear Chaga is crafted with select Siberian Chaga (*Inonotus obliquus*) that has been wild-harvested in the arctic. Using a dual-stage, water and alcohol extraction process, Arctic Bear Chaga is standardized to a 30% polysaccharide concentration, resulting in a potent, clinical grade Chaga preparation that delivers the maximum potential of this cherished fungus.

**\$34.95**

**65 GRAMS**

## KEY BENEFITS

- For optimum potency, ethically and ecologically wild-harvested Chaga from the cold Siberian wilderness
- A dual-stage, standardized extract providing a 30% polysaccharide concentration.
- Chaga Extract that is from RAW Forest Foods, the premier and most trusted source of pro-androgenic and tonic herbs.
- Packaged and processed in the USA in a certified organic, FDA cGMP facility.

## USE & INGREDIENTS

Our Arctic Bear Wild Siberian Chaga Extract is ready to use: Simply add the desired amount to several ounces of warm water, dissolve, and enjoy. In fact, at RAW Forest Foods, that is our favorite way to use it.

Each package contains 65 grams of our Arctic Bear Wild Siberian Chaga Extract. Never irradiated and with no fillers or drying agents—just high quality and high integrity from RAW Forest Foods.
