CLOUD MUSHROOM

TURKEY TAIL

CLINICAL GRADE 40% POLYSACCHARIDE EXTRACT

Traditionally known as Cloud Mushroom, Turkey Tail (*Trametes versicolor*) is increasingly appreciated for its broad spectrum, positive effects upon the body, including possible support to the immune system.

Our Cloud Mushroom Turkey Tail is standardized to 40% polysaccharides (including PSK, PSP, and VPS), and is made using only choice Turkey Tail, ensuring an easily digestible and highly concentrated product.

KEY BENEFITS

- Ethically and ecologically wild-harvested Turkey Tail (*Trametes versicolor*) fungi for optimum potency.
- A dual-stage, standardized extract providing a 40% Polysaccharide content.
- RAW Forest Foods is the premier pro-androgenic and tonic herb company.
- Packaged and processed in the USA in a certified organic, FDA cGMP facility.

USE & INGREDIENTS

Our Cloud Mushroom Turkey Tail Extract is ready to use. Simply add the desired amount to several ounces of warm water, dissolve, and enjoy. In fact, at RAW Forest Foods, that is our favorite way to use it.

Each package contains 65 grams of our Cloud Mushroom Turkey Tail Extract. Never irradiated and with no fillers or drying agents—just high quality and high integrity from RAW Forest Foods.
