USE & INGREDIENTS

Our Elephant Mountain Ginseng Formula is easy to use. Simply add the desired amount to several ounces of warm water, dissolve, and enjoy. In fact, at RAW Forest Foods, that is our favorite way to use it.

Each package contains 65 grams of our Elephant Mountain Ginseng Formula. Instead of simply a combination or a blend of similar sounding herbs, our Elephant Mountain Ginseng Formula is an expert formula developed by our master formulator. This formula embodies a fundamental knowledge of how the herbs work and interact with one another and how they come together to affect the body. Never irradiated and with no fillers or drying agents—just high quality and high integrity from RAW Forest Foods.
