ENDOCRINE STRENGTHENING FORMULA

PINE POLLEN ALCHEMY

CLINICAL GRADE TINCTURE

Now on its third iteration, this updated Endocrine Strengthening Formula represents our growth of understanding both of the herbs and their actions and the unique needs and desires of our family of customers.

Our Endocrine Strengthening Formula has been developed by master herbalists to promote the adaptogenic and pro-androgenic effects of Pine Pollen, with additional long-term benefits not available with the use of Pine Pollen by itself. Each serving contains the equivalent of 1.5 grams of whole herbs.

KEY BENEFITS

- Our Forest Formulations are developed by professional herbalists;
- Made from organic or ecologically grown and harvested products whenever possible;
- Processed and Packaged in a domestic FDA cGMP facility;
- All packaging is food grade and produced with minimal waste;
- From RAW Forest Foods, the leaders in adaptogenic, tonic, and pro-androgenic herbs.

USE & INGREDIENTS

Tinctures are easy to use, and because they are alcohol based extracts, the active compounds present in them are quickly and efficiently absorbed by the body. Simply add the desired amount to a few ounces of water (or other liquid) and drink.

Our Endocrine Strengthening Formula tincture is a full 1:2 extract, with two parts of herb going into each part of the hydroethanolic base liquid. Ingredients: Astragalus Root, Bindi, Chinese Ginseng Root, Cordyceps, He Shou Wu, Pine Pollen, Stinging Nettle Root, Chen Pi, Dang Shen, Dang Gui, Shu Di Huang, Bai Shao (Yao), and Chuan Xiong. Never irradiated and with no fillers or drying agents, you receive a tincture of the highest quality and integrity—only from RAW Forest Foods.
