EROS' ARROW

APHRODISIAC ELIXIR

CLINICAL GRADE TINCTURE

This is the third iteration of our Eros' Arrow Aphrodisiac Elixir Tincture. We have taken everything you loved from the first two formulas, worked with a master Chinese and Western herbalist to produce enhanced effects with an eye towards long-term benefits but with a focus on immediate use.

This is a formula designed to work quickly with the body to produce the desired effects, but also to work cumulatively with the body, where overtime is may build in the system to increase libido, sexual thought, performance, and sensation. Beyond just a tincture, our Eros' Arrow Aphrodisiac Elixir is pure herbal alchemy.

KEY BENEFITS

- Formulated with the desires and the unique needs of our customers in mind;
- This formula contains Pine Pollen Tincture and tinctures of fifteen other select, desire enhancing herbs;
- Manufactured with select herbs and pharmaceutical grade (USP) alcohol in a domestic, FDA cGMP facility.
- An exclusive RAW Forest Foods product, the premier, and most trusted pro-androgenic and tonic herb company.

USE & INGREDIENTS

Tinctures are easy to use, and because they are alcohol based extracts, the active compounds present in them are quickly and efficiently absorbed by the body. Simply add the desired amount to a few ounces of water (or other liquid) and drink.

Each bottle contains 2 ounces of our Eros' Arrow Aphrodisiac Elixir Tincture. Contains Clinical Grade Tinctures Of: Kava Root, Pine Pollen, Shu Di Huang, Horny Goat Weed, Du Zhong, Polygala (Yuan Zhi), Zhi Zi, He Shou Wu (Fo-ti), Bindi, Deer Velvet Antler, Sou Yang, Velvet Bean (Mucuna), Gao Ben, Niu Xi, Zhi Mu, Wu Wei Zi. Never irradiated and with no fillers or drying agents, you receive our Eros' Arrow Aphrodisiac Elixir of the highest quality and integrity from RAW Forest Foods.
