SEVEN SPRINGS TRAIL

ELEVATED ASTRAGALUS

CLINICAL GRADE STANDARDIZED EXTRACTS

Wanting to offer our customers an effective and truly unique, exceptional, and strong Astragalus Extract, we created our Seven Springs Train Astragalus Extract Blend.

Made with organically cultivated Astragalus Root, at a 2:1 ratio we combine Astragalus Extract (standardized to contain 70% polysaccharides), and fortify it with an isolated Astragaloside IV extract.

KEY BENEFITS

- Made with certified organic Astragalus Root.
- Astragalus is used as an adaptogen (regulating stress and promoting endocrine health), as a immune system tonic, and as a longevity tonic.
- Contains Astragalus Extract standardized to 70% of the active polysaccharides present.
- Contains Astragaloside IV, a compound present in Astragalus in small amounts, but which may help promote chromosome telomere length.
- Packaged and processed in the USA in a certified organic, FDA cGMP facility.

USE & INGREDIENTS

Our Seven Springs Trail Astragalus Extract Blend is made using certified organic astragalus root. This unique and potent extract is ready to use. Simply combine with warm water and drink—or let your imagination run wild with all the ways you can use it.

Each package contains 65 grams of our Seven Springs Trail Astragalus Extract Blend. This product is made without the use of fillers or drying agents and has never been irradiated, resulting in Astragalus Extract of highest quality and integrity from RAW Forest Foods.
