VÅREN FOREST

STINGING NETTLE ROOT

CLINICAL GRADE 50:1 CONCENTRATED EXTRACT

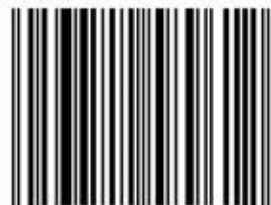

To actualize the full potential of Nettle Root as a top male herbal ally—and to concentrate the important compounds present within it—we have taken choice Stinging Nettle (*Urtica dioica*) Root and have extracted it to a 50:1 concentration. The result is our Våren Forest Stinging Nettle Root Extract—pure, potent, and elevated.

Wild harvested Stinging Nettle (*Urtica dioica*) roots is fantastic when used as a standalone herb. Yet it is also as effective when used side-by-side with other herbs, nutritional supplements.

KEY BENEFITS

- Wild harvested Stinging Nettle (*Urtica dioica*) roots.
- Nettle Root is considered to be the male herbal ally.
- Prepared using a traditional hot water extraction process, which eliminates the need for harsh solvents and other chemicals.
- Extracted to a fifty times (50:1) concentration.
- May help benefit the health of the prostate and to block the conversion of sex hormones into damaging metabolites (estradiol).
- From RAW Forest Foods, the premier and most trusted pro-androgenic herb company.
- Packaged and processed in the USA in a certified organic, FDA cGMP facility.

USE & INGREDIENTS

Our Våren Forest Stinging Nettle Root Extract is easy to use. Simply add the desired amount to several ounces of warm water, dissolve, and enjoy.

In fact, at RAW Forest Foods, that is our favorite way to use it.

Each package contains 65 grams of our Våren Forest Stinging Nettle Root Extract. Never irradiated and with no fillers or drying agents—just high quality and high integrity from RAW Forest Foods.
